MEMORANDUM FOR: Chairman, Security Committee  
FROM: Director of Central Intelligence  
SUBJECT: Leaks

1. We apparently need a comprehensive list of the most damaging leaks of the last twelve months -- perhaps 15 or 20. There should be a classified and a sanitized version of this done in a way designed to convey the cost of damage of these disclosures.

2. I attach some material I have collected on this.

  
William J. Casey
